CATAN STORY

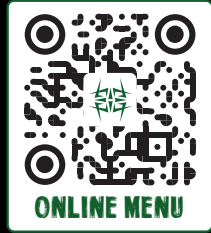

You, adventurer stranded in this unknown land, know that there is a legend. Do you want to hear it ? So listen up !

It is rumored that the Catan is a secret place discovered by curious individuals, from all walks of life, in search of new sensations. From this ethnic fusion a civilization was born.

An unusual visual atmosphere, timeless melodies, unexpected culinary flavors... These are the mystical experiences to which the first explorers were initiated.

Now it's up to you to lose yourself in new festive rituals. Let yourself be disconcerted, get drunk with joy. May the energy of these extravagant associations overwhelm you.

And who knows, you, ephemeral guest, could write the untold story of the Catan...

A large selection of tapas and dishes with typical Brazilian varieties

Many games available and a cozy little corner to play

Selection of various dishes with typical Brazilian food

Delicious exotic cocktails to taste at the bar

Pool game corner near the bar, not too far from beers, he he

Rock, pop, reggae, Brazilian music with quality bands...
